Buyer's Club and Preferred Customer Understanding

As a member, I understand these benefits to be for my PERSONAL USE ONLY:

- If I have a friend or relative that has an ESES stove, we must **both** join the Club to receive the benefits. I agree not to RESELL or GIVE anyone products that I have purchased. Resale of products will constitute termination of my membership and future mailings. EVERYONE MUST BE HONEST FOR THIS PROGRAM TO WORK AND CONTINUE.
- ESES reserves the right to REFUSE or QUESTION any orders over 4 skids per stove.
- ESES reserves the right to exchange any pellet type for another of the same type and equal value due to product shortages, changes, or quality issues beyond our control or you have the right to a refund.
