

ANNUAL INSPECTION
 The National Fire Protection Association (NFPA) recommends annual inspection of all fireplaces, chimneys, and vents. The next inspection of your system is scheduled for: _____

CUSTOMER VERIFICATION
 This report is the result of a visual inspection done at the time of cleaning. It is intended as a convenience to our customer, not as certification of fire worthiness or safety. Since conditions of use and hidden construction defects are beyond our control, no warranty is made for the safety or function of any appliance and none is to be implied. I have read this form and understand the apparent condition of my fireplace, appliance, chimney, and/or vent system. Furthermore I understand the limitations of this report as given in the paragraph above.
