Minimum Rear Setback from Alley (ft.)	5	5	5	5
Maximum Height of Buildings (ft.)	50	50	35	65

CITY OF GOLDEN ZONING INFORMATION

The City of Golden Zoning Ordinance, also known as Title 18 of the Municipal Code, permits and regulates land uses in the City's zoning districts. Below are answers to some of the most commonly asked questions about allowable uses in each of the listed zoning districts and is for informational purposes only. For more detailed information, please refer to Chapter 18.28, "Use and Density Regulations," available online at www.cityofgolden.net (go to Where Do I Find..., Municipal Code, Title 18).

Rental of legal dwelling units is permitted in any zone district. Any legal dwelling unit may be occupied by a household. The definition of "household" includes "a group of not more than four (4) unrelated or related and unrelated persons living together as a single housekeeping unit" (see Section 18.04.111). Boarding and rooming houses (see Section 18.04.050) are **not** considered households, and are permitted only in certain zone districts. Home occupations by persons living there are permitted in all residential zones (see Chapter 18.42).

R-E	One household dwelling unit	Minimum Lot Size 9,000 square feet
R-1/R-1A	One household dwelling unit	Minimum Lot Size 7,000 square feet
R-2	Depending on Lot Size: One or Two household dwelling unit(s) Three or Four household dwellings units	Minimum Lot Size 7,000 square feet Minimum Lot Size 9,000 square feet

Parking and setback requirements must be met for all dwelling units (see Section 18.28.200 of the Golden Municipal Code).

R-3	Depending on Lot Size: One or Two household dwelling unit(s) Three or Four household dwellings units Multiple dwelling units	Minimum Lot Size 7,000 square feet Minimum Lot Size 9,000 square feet Minimum Lot Size 10,500 square feet Allow 2,100 sq. ft. per dwelling unit
------------	---	--

Institutional uses such as group homes, rooming & boarding houses, schools, libraries, churches

RC	Residential and/or Commercial such as offices, personal service establishments, restaurants, tourist homes and studios.
C-1	Primarily commercial uses such as neighborhood retail stores, hotels/motels, hospitals, offices, restaurants and banks. Residential dwellings are allowed only in a mixed use building consisting of at least 25% non-residential (commercial) uses.
C-2	Places for the conduct of any general or commercial business, wholesale, or distributing activity not of an industrial or manufacturing nature including retail shops, offices, restaurants, new and used car sales, automobile service stations, motor vehicle repair shops (but not including body and paint shops).
M-1	Any kind of scientific research or manufacture, compounding, assembling, processing or treatment of products, and office and office/warehouse use.
M-2	Any industrial or manufacturing use, warehousing, processing, distributing, equipment repair or storage operation with limitations (see Section 18.28.180).

Section 18.28.200 Lot, bulk, and setback regulations for the AG, RE, R1, R1A, R2, R3 and RM districts

(1) Setbacks.

- (a) Accessory buildings shall have the same front setback requirements as the principal building, except that private garage vehicle entrances shall be setback a minimum of 20 feet from the front property line.
- (b) Accessory buildings may have side and rear setback of 5 feet from the property line.
- (c) Cornices, canopies, eaves or similar architectural features may extend into a required setback not more than two feet, provided that all applicable building code requirements are met. Similar architectural features shall not include bay windows or any form of usable living area.
- (d) Front porches on structures within the RE, R-1, and R-1A zone districts that comply with the requirements found in 4(b) of this section may encroach up to 5 feet into the front setback.
- (e) Fire escapes may extend into a required setback not more than six feet provided that all applicable building code requirements are met.
- (f) The setback along both street sides of a corner lot shall be not less than the required front setback for principal buildings along such streets.
- (g) The side setback for an attached wall, two household dwelling shall be zero (0) feet on the attached side of the lot, provided that all other setback requirements are met.
- (h) The side and rear setback for an attached wall, multiple household dwelling structure of more than two units in the R-2 and R-3 districts shall be zero (0) feet, provided that all of the following conditions are met:
 - (i) Each dwelling unit is located on a separate and distinct lot.
 - (ii) There is maintained an open space, free of other structures and public streets, between the structure and any other lot lines no less than the otherwise applicable setback. Such open space shall be located only upon the lots upon which the structure is located and adjacent tracts which are designated as a common area, common open space or equivalent.

(2) Building Height.

- (a) No dwellings shall be constructed with a height above grade of less than ten feet.
- (b) The maximum height for principal buildings in the R-2 and R-3 districts shall be thirty (30) feet except that for structures containing more than two dwelling units in the R-2 district and on lots less than 22,000 square feet in area in the R3 districts, the maximum building height may be increased by Planning Commission by a height bonus of up to a maximum of five (5) additional feet pursuant to the provisions of Section 18.40.040(2). The foregoing notwithstanding, the maximum building height for multiple household high density buildings on lots in the R-3 district with more than 22,000 square feet in area shall be thirty-five (35) feet.
- (c) The maximum height for accessory structures in the R-1 and R-2 districts shall be twenty (20) feet except that for structures with a minimum roof pitch of 3/12 the maximum building height may be increased to 25 feet.
- (d) The maximum structure height of the applicable zoning district shall not apply to commercial telecommunications sites permitted pursuant to Section 18.28.040 of the Golden Municipal Code.

(3) Wall Plane Changes. For properties within the RE, R-1, and R-1A zone districts, a minimum of 25% of the front wall plane of the structure shall be either projected or recessed to a minimum depth of 10% of the length of the façade. Front porches may count toward this requirement, which is applicable to all new principal structures as well as existing structures where the length of the front wall is increased by 25% or more. The Director may approve a reduction to the wall plane requirement from 25% to as low as 20% projected or recessed, provided that all other requirements of Section 18.28.200 have been met and it does not conflict with any other requirement of this title.

(4) Lot Coverage.

(a) For properties within the RE, R-1, R-1A, R-2, and R-3 zone districts, individual accessory structures, and the aggregate total lot coverage of accessory structures shall not exceed 10% of the lot area.

(b) For properties within the RE, R-1, and R-1A zone districts, the aggregate total lot coverage of all structures, both principal and accessory, shall not exceed 40% of the lot area, except that an unenclosed front porch with a minimum size of 48 square feet, and is of single story design, shall be exempted from the 40% lot coverage calculation.

(5) Lot Frontage.

(a) Minimum lot frontage, if applicable, for an attached wall, two household dwelling unit, in the R2 or R3 district, shall be thirty (30) feet, however, the combined lot frontage for both lots shall be at least sixty (60) feet.

(b) Minimum lot frontage, if applicable, for an attached wall, multiple household dwelling structure of more than two units, with each living unit located on separate but adjacent lots, in the R2 or R3 district shall be twenty (20) feet, however, the combined lot frontage for all lots upon which the structure is located shall be at least seventy-five (75) feet. (Ord. 1874 § 1, 2010; Ord. 1791 § 3, 2007; Ord. 1259 § 1, 1995; Ord. 1179 Exhibit A, 1993).
